

Building an Intentional Team doesn't occur overnight.

It takes patience, leadership and organizational skills.

There is a process for building an Intentional Team from the start.

## How to Build an Intentional Team from the Start

Intentional are short, actionable tips for team performance.

Your monthly Intentional:

A former client – let's call him Rob – joined a mining company as its new global Head of Human Resources. He had worked with us before and had some experience about our Intentional Teams framework. Now with the mining company he wanted to overhaul the HR organization to position the workforce for growth.
